

Assignment – 1

Assignment Title: Design a Simple Travel Website using HTML

Objective

The objective of this assignment is to assess students' ability to:

- Write a valid HTML5 document using the latest boilerplate structure.

- Use headings, text formatting, horizontal rules, and line breaks to organize content.
- Insert and format paragraphs, hyperlinks, and images.
- Demonstrate the use of all types of lists (ordered, unordered, definition).
- Create and format tables with headers and data.
- Apply internal and external hyperlinks effectively.
- Use comments in HTML for proper documentation.
